

# Business Opportunities

One of the best parts of Paws Crossed is our community!

# Who We Are

Paws Crossed Animal Rescue is a non-profit, true no-kill animal rescue located in Elmsford, NY.

## OUR MISSION

"Rescue One By One Until There Are None"

We believe that our mission is best fulfilled through rescue, rehabilitation, rehoming, advocacy, collaboration and education.

## OUR VISION

We believe in always working to create a better world for pets and for people as a unified community!

## OUR CORE VALUES

**Commitment to our Community:** We feel a strong responsibility to our community for always supporting our mission. We develop and cultivate deep relationships that make a positive difference. We truly are a family.

**Education:** We take every opportunity to educate our community about animal welfare and animal care. Education not only forges the future for animal rescue, but it creates a better life for pets and people everywhere.

**Innovation not Imitation:** Just because something has always been done a certain way, doesn't mean that is the best and most effective way. We encourage creativity and imagination.

**Integrity / Ethics:** We believe in always doing the right thing in a fair and honest way. "Never, never be afraid to do what's right, especially if the well-being of a person or animal is at stake. Society's punishments are small compared to the wounds we inflict on our soul when we look the other way." - Martin Luther King Jr.

**Be the Change:** For something to change, something has to change. We never shy away from taking an action that will further our mission.

# Business Programs

## **Cuddle Program: \$500**

We will bring puppies to your office! The Cuddle Program is designed to help alleviate stress in the workplace through animal encounters. The purpose is to reduce stress, increase morale, boost productivity and increase job satisfaction. (Based on availability)

## **Group Volunteer Days: \$500**

This gets your employees engaged and inspires them to give back! It is great for morale and team building! At the end of each session, we will bring some pets for your employees to meet! (Based on availability)

## **Awareness Day/Event: \$750**

We will come to your company with some puppies or young dogs that are available for adoption! The purpose is to attract customers and increase awareness of your company. Puppies attract attention which will afford you time to share your messaging with potential customers. Not only do they provide attention-getting cuteness, but puppies also reduce stress levels and spread joy, which creates a positive correlation to your business. (Based on availability)

## **Sponsor an Event: Many different levels!**

We have many exciting events throughout the year where you can gain exposure for your company while helping a great cause! Events vary in size from 50 - 600 people in attendance!

## **Dress Down Days: Free!**

This is a fun way to encourage your employees to give back and get comfortable! You set the donation amount that is required for employees to dress down on a certain day! This can be repeated as often as your company likes!

## **Matching Gifts**

A lot of companies are matching the philanthropic spirit of their employees by offering a 1:1 or 2:1 match of any contributions to a 501(c)3 organization!
